

## **PRCO304: Supervisor allocation**

Supervisor allocation will commence 11 December: Your supervisor allocation will be visible via the SPMS. You will not be allocated a supervisor until you have submitted an acceptable proposal.

**Supervisors are allocated as best possible using supervisor availability and project topic area.**

You are welcome to suggest a supervisor but only if there is some very strong reason why a particular supervisor is required/suggested (e.g., staff proposed project). However please note that there is no guarantee of getting a particular supervisor.

The list of available supervisors is still to be confirmed, but here is my best guess at present:
